Re: **470 World Championship - ISRAEL- 2022**

This is to submit our application to host a 470 World Championship in Sdot -Yam Sailing Club - Israel in 2022.

Kibbutz "Sdot Yam" is located on the Mediterranean Sea and has a long tradition in hosting some major Israeli sailing championships events.

We can offer fine organization abilities, nice hotels and touristic attractions and most important excellent sailing facilities and good weather conditions almost all over the year.

We hope you will accept our offer and look forward for a fruitful cooperation.

Thanks, and best regards,
