

International 420 Class Association

Att: President Nino Shmueli

6 June 2020

Letter of Support

Dear Nino,

As the executive director of the National 420 Class Association and of the National 470 Class Association in Russia, I would like to express my humble support for the Saint Petersburg Yacht Club's bid to host the 420 and 470 Junior European Championships at its club site in St. Petersburg in 2022 or 2023 years.

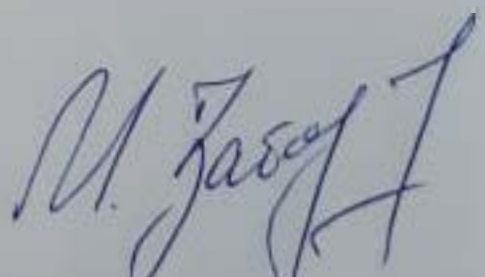

The Saint Petersburg Yacht Club invests a great deal of time and effort in holding national and international events and promoting sailing in Russia and around the world.

We strongly support this application and its focus on the development of sailing and the 420 class in Russia.

The National 420 Class Association will take responsibility for providing full assistance in organizing and holding the competitions.

Sincerely,

Mikhail Zabolotnov
Executive Director
National 420 Class Association and
National 470 Class Association
