

Report from the Auditor on the 2018 Accounts 470 Internationale

I hereby certify that to the best of my knowledge and based on an audit of the 470 Internationale 2018 accounts made on the 4th April 2019 in Athens, the accounts presented by the Treasurer and the President are a true and accurate reflection of the financial management of the class association.

I would particularly like to mention that significant efforts have been made by the executive management team to ensure proper lisibility in the accounting and financial management processes.
