| I propose the following submission, to be discussed at the General Assembly meeting (in case of several submissions, please, use one form for each submission):  |                      |
| Subject Header: Compass class rule C.5.1 (a) 2.  |                      |
| Context: When referencing existing 470 Class Rules, please reference the documentation.  |                      |
| <p>Proposal Text:</p> <p>C.5.1 For Use</p> <p>(a) OPTIONAL</p> <p>(2) <del>Up to two compasses, which may include timing devices. If electronic, only compasses with heading, heading memory and timing functions are permitted.</del> <u>not more than 2 magnetic compasses having no electronics, or one electronic self-contained compass using magnetic input from fluxgate sensors. If electronic, the compass may have only heading and timing functions.</u></p> <p><u>The display may show only the following:</u></p> <ul style="list-style-type: none"> <li><u>• heading (damping may be adjusted manually),</u></li> <li><u>• heading ± a tacking angle (which may be adjusted manually),</u></li> <li><u>• time,</u></li> <li><u>• race timing information,</u></li> <li><u>• identification,</u></li> <li><u>• battery condition, system error, adjustment and calibration information.</u></li> </ul> <p><u>Race timing information may be transmitted by sound. The electronic compass shall not deliver, store or correlate information in any way except as described here.</u></p> |                      |
| Reason: Clarification rewording of the existing rule, to avoid equipment which may open the road to unwanted functions   |                      |
